PIZZA FACTS

The first pizzeria in the United States was opened by Gennaro Lombardi in 1895 in New York City

Ninety-three percent of Americans eat pizza at least once a month.

October is the US national pizza month.

Over 5 billion pizzas are sold worldwide each year.

Kids ages 3 to 11 prefer pizza over all other food groups.

Pizza comes from the latin root word Picea which means the blackening of crust by fire.

The largest pizza ever made was 122 ft. 8 in. in diameter.

Kid's Sundae!

Scoop of Vanilla Ice Cream, Chocolate Sauce, Whipped Cream and a Cherry on Top

Kid's Drink

12 oz soft drink or juice
(Included with kids meal)
